

March the 23rd 2020

To all our customers, partners and employees

Like all of you, we are preoccupied by the evolution of the COVID-19 pandemic. Our priority is to ensure your security and health throughout this crisis. We are following all guidelines for the COVID-19 as laid out by our provincial and national governments.

We have asked our sales team to work out of home and to limit travel. They will, however, be available by phone, text and email to answer any question that you may have.

We are continuing our preparations for this spring. Our production is on schedule and we do not anticipate any supply issues with our distribution partners this season.

We will continue to monitor the situation and will update you with any change in our procedures.

We wish you good luck and want to assure you that we will be there to answer your needs.

A handwritten signature in black ink, appearing to read "Migner", is placed over a white rectangular background.
