GENERAL INFORMATION

CROP BOOSTER[®] 2.0 is a foliar nutrient solution. This product is generally used to aid foliage development early in season and also to relieve stresses caused by agrochemicals, drought, excessive moisture, insects, hail or summer frost.

Shake well before product is poured into sprayer.

NOTE

CROP BOOSTER[®] 2.0 is recommended for use as a supplement to a complete fertilizer program that is adapted to the fertility level of the soil.

FOLIAR TREATMENTS

For best results, treat the crop when it is actively growing, early in the morning, late in the day or during overcast periods. Use a minimum of 200 L of water per hectare (ha).

APPLICATION RATES

Use 2 L of this product per hectare when this product is tank mixed with herbicides.

Use 2.5 to 5 L of this product per hectare for all other uses, unless otherwise advised.

Consult your professional agrologist or extension specialist for recommendations on appropriate tank mixtures and application rates when using this product.

STORAGE

This product must be kept above 5°C and must not be stacked more than two (2) pallets high.

DISPOSAL OF EMPTY CONTAINERS: Triple rinse, dispose of empty container in accordance with municipal / provincial / federal regulations or recycle through the Clean Farms Empty Containers Recycling Program.

NOTICE

Seller warrants that this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions of use. No one, other than the officer of seller, is authorized to make any warranty, guarantee or direction concerning this product.

CAUTION: This product contains boron. It may prove harmful when misused. May damage fertility and the unborn child.
